Hi Alice,

Well, I was thinking you should look at this, but was willing to leave you off the hook....but now that Pat and Sarah suggested it, I guess you're on again. Sorry :)

If you have a chance by the end of next week, that would be great. If not, let me know.

Thanks,

Stephanie

Here are Sarah's and my comments. Let us know if you have any questions. One of our proposals is that you show it to Alice, because she would best be able to point out the places that they may be going in the wrong direction.
